## OBJECTIVE

---

Computer Science graduate with a strong foundation in web development and hands-on experience building projects using the MERN stack (MongoDB, Express.js, React.js, and Node.js). Passionate about developing user-friendly web applications and continuously learning new technologies. Seeking a Software Engineering or Full-Stack Development internship where I can apply my technical skills, contribute to real-world projects, and grow as a developer.

## TECHNICAL SKILLS

---

**Languages:** JavaScript (ES6+), HTML5, CSS3, SQL

**Frontend:** React.js, Tailwind CSS, Bootstrap

**Backend:** Node.js, Express.js

**Database:** MongoDB, MySQL

**Tools:** Git, GitHub, VS Code, Postman, npm

**Concepts:** REST APIs, JWT Authentication, CRUD Operations, MVC Architecture, Role-Based Access Control, Object-Oriented Programming

## PROJECTS

---

### Smart Society Service System (Final Year Project) 2025–2026

- Developed a full-stack web application using React.js, Node.js, Express.js, and MongoDB.
- Implemented complaint management, announcements, and service request modules.
- Built secure user authentication and role-based access control.
- Designed RESTful APIs and integrated MongoDB for data management.
- Created responsive dashboards for administrators and residents.

### Portfolio Website with Admin Panel

- Developed a personal portfolio website using the MERN stack.
- Built an admin dashboard to manage projects, skills, and contact messages.
- Implemented CRUD functionality and responsive UI using React.js and Tailwind CSS.
- Integrated backend APIs for dynamic content management.

### React Admin Dashboard

- Built a responsive dashboard using React.js.

- Created reusable components and modern UI layouts.
- Applied responsive design principles for desktop and mobile devices.

## LEADERSHIP

---

- Coordinated development activities during the Final Year Project.
- Collaborated with team members to manage project tasks and deadlines.

## LANGUAGES

---

English (Professional Working Proficiency)

Urdu (National)

Pashto (Native)
